

Are You With Them.

(St. Joseph Observer.)

In the war that has just closed there were killed and died of wounds the tremendous number of 7,354,000—and this number has nothing to do with that other great number of men, women and children dead of war made sickness, heartbreak and starvation.

And besides that these figures reckon on nothing of the millions, crippled, blinded, maddened, their whole lives wrecked by war.

This appalling figure, to anybody with a heart to bleed and a soul to sear, paints war for the hellish calamity it is.

Yet there are men, calling themselves Americans, who are plotting to defeat the organization of the world to save humanity from this blight!

Are you with these plotters against the peace of the world, these traitors to humanity?

Or are you with Woodrow Wilson and the League of Nations, determined that these millions shall not have died in vain, and that the other millions not dead shall not have suffered all in vain?

A road bill providing for the expenditure of from \$60,000 to \$100,000 in grading the roads of the state during the next three years has been introduced in the Missouri State Senate by Senator Frisby McCullough of Knox county. A portion of the Hawes' bill passed at the last session is repealed, by this bill, which encourages the grading of dirt roads and which, if enacted, will mean the construction of 6,000 miles of roads through the various counties of the state, running north and south and east and west. The measure provides for the expenditure of \$1,200 per mile. It also takes into consideration the matter of federal aid for road work and would bring to Missouri from the national government the sum of \$4,300,000. No change is made in the Hawes law regarding the present highway commission. A like measure has been introduced in the house by Representative Morgan.

As Wise as Anybody.

After Aunt Fanny had vainly striven to convince Walter that he was in the wrong she exclaimed: "Walter, I guess I know a few things!" "So do I," was his answer. "I know as few things as anybody."

DULL AND SHARP SHOOTING PAINS

Michigan Lady Suffered Such Pains In Back and Head, But Says Cardui Stopped These Bad Spells.

Palmyra, Mich.—Mrs. Chas. T. Fuller, of this place, writes: "In 1911 I got run-down, and I suffered great pain...with both dull and sharp shooting pains...also back and head. I was weak and could only drag around, and should have been in bed, for I really wasn't able to be up. At times I would have spells that would be so bad I'd have to go to bed, and suffered intensely...."

I decided to try Cardui, and saw a great improvement in less than a month's time. I used 7 or 8 bottles and was stronger....I got so much better that my strength returned and my work was easy for me. Cardui did me a world of good. It built me up in health and strength. I haven't had one of those bad spells since. I haven't had to take any more medicine since or have any doctors either and have been able to do my work right along....I recommend it to other women highly as the best medicine I know of for women who suffer from female trouble."

If you suffer from female troubles, follow this advice. Get a bottle of Cardui today and give it a thorough trial. It should help you, as it has helped thousands of other women in the past 40 years. At all druggists.

Ford

THE UNIVERSAL CAR

The Ford Model T one-ton truck is proving a splendid time and money-saver on the farm. It is very flexible in control, strong and dependable in service. It has

really become one of the farmer's necessities. One Ford truck is equal to half a dozen teams, and it won't "eat its head off" when not working. The very low price makes it popular with shrewd farmers who analyze conditions on the farm. Let's talk it over. Mr. Farmer. Price, without body, \$550 f. o. b. Detroit.
